

## AMO International Convention Divisions and Classes

All vehicles start in the Junior Division. Once the vehicle reaches the requisite number of points, it will advance to the Senior Division. The following classes are available for both the Junior and Senior Divisions, except where noted. The Cup classes are for Best of Show vehicles from previous conventions.

It is the participant's responsibility to select the proper class.

AMO reserves the right to make corrections as needed.

AH	American Heritage Cup	HN	Hurst Non-stock
AM	American Cup	HS	Hurst Stock
AMN	AMC Non-stock	JN	Javelin Non-stock
AMS	AMC Stock	JS	Javelin Stock
AN	AMX Non-stock	RC	Race Car (junior division only)
AS	AMX Stock	RN	Rambler Non-stock
DI	Display Only (not judged)	RS	Rambler Stock
DR	Driven (junior division only)	SI	Special Interest (junior division only)

### NOTES FOR PARTICIPANTS

- All entered cars should have a fire extinguisher. All judged cars ***must*** have a fire extinguisher.
- Judged cars should have floor mats and any trinkets or memorabilia removed before it is judged. You can put it back after judging. Also, make sure the trunk is emptied, the hood and trunk lid are up and the window glass is at least half-way up.
- You do not have to be with the vehicle when it is being judged. If you are not there, a judge will need to open and close your driver's doors. Only the head judge of the group will do this.
- Judging starts at 10:30 am. We try our best to do it the most quickly and efficiently possible. Understand though, that it may be early afternoon before your car is judged. Having more judges helps it go faster – consider volunteering!
